High-Fidelity Design & Prototyping in Figma

Mobile Frontend Training

Fundamentals of Programming

Training Program

AI-native product builder with a foundation in **entrepreneurship, retail leadership, and operations**. I design human-centered, conversational experiences and build working products end to end — from research and Figma prototypes to shipping with React and modern AI workflows. I'd bring this blend of **product-building and operational discipline to Rabbit Care**, helping make insurance and financial products in Thailand simpler, friendlier, and more human.

Experience

AI Product Builder

Jan 2025 — Present

Vibe Coding Turkey · Remote

- Built and shipped multiple AI-native products focused on emotional intelligence, conversational UX, and behavioral systems.
- Founded **VibecodingTurkey**, a community teaching people to build and launch products using AI workflows and natural language.
- Shipped **DidntHappen** (anxiety & cognitive-reframing app) and **Dream Mining** (AI dream-analysis platform with memory & voice companion).

Founder & E-Commerce Operator

Dec 2020 — Dec 2022

Wild Moose's · Online Apparel Brand

- Founded and ran an online t-shirt brand for 2 years — product design, sourcing, and the full e-commerce operation.
- Built the online store and managed inventory, fulfillment, and customer support end to end.
- Grew sales through social-media marketing and data-led iteration on products and creative.

Sports Leader — Mountaineering & Camping

Sep 2017 — Nov 2020

Decathlon Türkiye · Antalya

- Led the mountaineering & camping department as the in-store sport specialist, advising customers and driving category sales through deep product expertise.
- Ran daily store operations and built staff shift schedules, keeping the team coordinated and the floor running smoothly.
- Coached team members on product knowledge and service standards to raise the overall customer experience.

Operations Specialist — VIP Tours

Sep 2019 — Jan 2020

Budak Turizm · Antalya

- Planned and organized routes and schedules for VIP tour vehicles, coordinating logistics, timing, and service quality.
- Kept day-to-day operations reliable and on time for premium clients.

Education

Associate Degree, Computer Programming

Anadolu University · GPA 2.44 / 4.00

Sep 2022 — Jan 2025

- Rector's Honor Certificate** — awarded for academic achievement, Fall 2024/25 semester (GPA 3.04).
